CITY MANAGERS OFFICE
LAWRENCE, KS

January 24, 2013

City Clerk
City of Lawrence KS

To Whom It Concerns:

The North Lawrence Improvement Association would like Iwig Dairy to be allowed to sell dairy products and farm produce from their refrigerated truck in the City Parking Lot located at 2nd and Locust Streets. They would like to sell in that location three afternoons per week.

Iwig Dairy would like to apply for a mobile vending license. The NLIA has talked with David Corliss, City Manager, and Scott McCullough, Planning Director, and both have agreed to allow Iwig Dairy to sell their products in North Lawrence.

Sincerely,

Ted Boyle, President
North Lawrence Improvement Association
