We support this request. *with reservations. This area would be critical to us if we have a rental (wedding, concert) that weekend. As of now, we have no events planned. This hits our building hard for access.*

PERMISSION FORMS FROM AFFECTED BUSINESSES

Note: A notice and permission form was left with each business affected by the street closings. After several follow up calls, not all businesses have responded. They have all been notified and I can only assume their lack of response is a tacit approval or a neutral position on the closures.
