David L. Corliss, City Manager
City of Lawrence, Kansas
6 East 6th Street / P.O. Box 708
Lawrence, Kansas 66044

Dear Mr. Corliss:

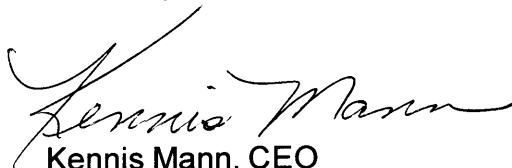

We respectfully request approval of the attached right of way licensing agreement.

This agreement is the result of months of collaborative work with the City of Lawrence's Public Works, Information Technology, the City Attorney's Office, as well as the Lawrence Chamber of Commerce.

Dawn Fiber is building infrastructure to better support rural communities south of Lawrence. In doing so, we want to be intentional in our route selection so that we are mindful of the environment and choose a route that is mutually beneficial to both parties.

We have enjoyed working with the City of Lawrence on this phase of our project and look forward to working with you again as opportunities presents themselves.

Sincerely,

Kennis Mann, CEO
