Lawrence, KS 66044

Dear Mayor Dever,

The Lawrence Home Builders Association requests exemption from Section 5-705.1 of the Sign Ordinance for the annual Lawrence Home Show, February 21-23, 2014.

We would like to place event signs at a few key intersections on South Iowa Street and in front of the businesses of Home Show exhibitors who have given us permission. The signs are planned to be 18" X 24" in size with wire posts to secure them in the ground. The signs would be placed Monday, February 17, and removed Monday, February 24.

The Home Show has approximately 70 displays featuring home related products and services. The purpose of the Home Show is to provide the community an opportunity to view the latest in home building products, services, and trends and visit with professionals who provide home-related products and services. Last year, we had nearly 2,100 visitors at this community event.

Thank you for your consideration of the requested exemption from the Sign Ordinance. If you have any questions regarding our upcoming event, please contact me.

Sincerely,

Bobbie Flory  
Executive Director
