**Subject:** North Project - Traffic Control Plan  
**Date:** Monday, February 10, 2014 3:11:40 PM

---

Diane, the North Project will be started while the Marriott is still under construction, however, we will be working on Marriott interior work at that time. Once North Project starts up, that North Project traffic control plan will be put into effect. We will be able to run the remainder of the Marriott project using North Project traffic control plan. I hope this makes sense.
