Terms & Conditions

Terms: 50% down, balance due on delivery or Net 10 with an approved purchase order. Invoice will be due and payable, based on the original installation date. We accept cash, checks, money orders, and wire transfers of funds.

Special Orders: A 100% prepayment is required for all customized products including but not limited to custom colors, PLAE Sports Flooring and products with logos such as plates, dumbbells and platforms.

Return Policy: A 25% restocking fee, plus freight, will be incurred for all non-custom products returned. Customized products are nonreturnable. A minimum restocking fee of 25%, plus freight, will be incurred for all non-customized products returned.

Bolt Down Requirements: Life Fitness recommends that all strength training equipment be secured to the floor in order to prevent tipping, rocking or displacement which might occur in the event of unanticipated use of the equipment. Life Fitness **requires** that certain strength training equipment (specifically the Synrgy 360S, T, XS, XM, the HD Elite Half Rack/Short Base unit and other products to be used for body weight strap training) be secured to the floor. In the case of Synrgy 360S, T, XS, XM and the Elite HD Half Rack Short Base, the customer acknowledges:

- Customer has determined the proper placement of the equipment to be secured. **Customer Initial** _____
- Customer has identified and informed AEE of the location of any utility, service lines, including but not limited to post tension cables. It is the customer's responsibility to identify the locations of any cables or lines prior to installation. **Customer Initial**_____
- Customer has confirmed that the subfloor consists of no less than 2.5 inches of concrete. **Customer Initial**_____
- Customer has obtained any and all consents to the drilling of holes in the flooring and subflooring. **Customer Initial**_____

If your order includes any of the equipment requiring bolting to the floor, initials are required above and an additional signed waiver will be required to place the order.

Additional products may require bolting to the floor, wall or ceiling. Bolting is not included on these products unless otherwise noted on the quotation. Customer is responsible for bolting these products to meet the manufacturer's requirements. This includes TRX, Core Energy, Boxing mounts and other products that require bolting to the facility structure.

Flooring Installation: Refer to the product specifications to ensure that the sub floor meets the material installation requirements. Freight offloading, inside delivery, adhesive, moisture tests, moisture reducers, base boards, sub floor prep, sub floor cleaning, transition strips and existing floor removal and disposal are not included unless otherwise noted on the quotation.

Storage: We reserve the right to assess storage fees not to exceed 1.5% per month, or fraction thereof and request payment in full on the related customer's invoice, when a customer's original delivery date is delayed by circumstances beyond our control.

Taxes: We collect sales or use taxes only in jurisdictions where we are licensed to do so. Customer agrees to accept sole liability and responsibility to pay for any and all uncollected sales or use tax liabilities, related penalties and interest that arise as a result of the purchase of products and/or services from our company.

Security: Until all products are paid in full, customer hereby grants to, and AEE shall retain, a security interest in and lien on, all products sold to the customer.

I accept the terms and conditions of this quote.
