Sgt. Max Miller
Lawrence Police Department

EARTH DAY PARADE MANAGEMENT PLAN

GENERAL OVERVIEW:

On Saturday April 19th at 1100 hours, the Earth Day Parade will begin. Staging will be on 7th Street, beside Buford Watson Park, with parade movement east to Massachusetts, and then south to South Park Street. The Earth Day Celebration will then commence in South Park immediately following the parade.

The communications will be on **GCOM 1**.

STAGING and MOVEMENT:

At 1000 hours, staging will begin in the 300 block of W. 7th Street beside Buford Watson Park. At 1100 hours the parade will begin moving. The parade route is east on West 7th Street to Massachusetts, then south on Massachusetts to South Park Street. Participants then exit into the LEC lot, or walk directly into South Park for the Earth Day Celebration.

Entries are an undetermined number of floats, vehicles, bicycles or unknown type of entry. 5-10 vehicles are expected, with an undetermined number of people (approx. 200), bicycles or vehicles. People observing the parades are also welcome to walk into the parade to be a participant.

SIGNS AND BARRICADES:

- Emergency no parking signs will be erected on both sides of 7th Street from Tennessee to Kentucky on Friday April 18th, 2014 by 0900 hours.
- Barricades will be erected at 7th and Tennessee to block east bound traffic.
- Barricades will be erected at 7th and Kentucky to block westbound traffic.
- Barricades erected at 8th and Vermont
- Barricades erected at 9th and Vermont
- Barricades erected at 10th and Vermont
- Barricades erected at 11th and Vermont
- Barricades erected at 7th and New Hampshire
- Barricades erected at 8th and New Hampshire
- Barricades erected at 9th and New Hampshire
- Barricades erected at 10th and New Hampshire
- Barricades erected at 11th and New Hampshire

POLICE RESOURCES:

1. **Incident Commander:** Sgt. Fultz- Unit 194 , will be assigned as the Incident Commander and remain available by telephone, (785) 423-4672 after 1000 hours for parade staff. This supervisor will address concerns between parade officials and patrol and may be also be contacted via the dispatch center at 832-7509.
2. **Lead Patrol Car:** Ofc. Walter 1X1, will lead the parade in a marked patrol car. The officer will report to 7th and Kentucky at 1000 hours and will erect barricades and assist with traffic control as necessary until the parade begins.
3. **Tail Patrol Car:** Ofc. Anglin- Unit 1X2 will follow the parade in a marked patrol car. The officer will report to 7th and Kentucky at 1000 hours and will erect barricades and assist with traffic control as necessary until the parade begins.
4. **7th and Vermont:** at 1100 hours Ofc. Rhoden- Unit 1X3 Will conduct traffic control at beginning of parade.
5. **7th and Tennessee:** at 1000 hours, Ofc. Bradford - Unit 1X4 will be stationed to assist with parade participant drop off.
6. **7th and Kentucky:** At 1100 hours Ofc. Burke- Unit 1X5 will stop traffic Northbound on Kentucky at 7th Street, until all parade participants cross Kentucky. That officer will then take down all barricades in the staging area to allow all traffic through. This officer will coordinate with the 7th and Massachusetts officer to take down barricades on the peripheral streets as the parade progresses south.
7. **Foot Patrol:** At 1045 hours, two officers, Officer Leslie - Unit 1X6, and Officer Smith - Unit 1X7, will erect barricades at 7th and New Hampshire, 8th and New Hampshire, 9th and New Hampshire, 10th and New Hampshire, and 11th and New Hampshire. The other officer will erect barricades at 8th and Vermont, 9th and Vermont, 10th and Vermont and 11th and Vermont. Officer will then patrol the sidewalks adjacent to the parade.
8. **12th and Massachusetts:** At 1100 hours, Ofc. Bishop- Unit 1X8 will erect barricades at 12th and Massachusetts Street to stop all northbound traffic. That officer will remain at 12th and Massachusetts to control traffic.
9. **7th and Massachusetts:** At 1100 hours, Ofc. Gillum- Unit 1X9 will be assigned to 7th and Massachusetts to stop southbound traffic. Once the parade is passed 8th and Massachusetts, that officer will move up to 8th and Massachusetts.
10. **Bike Patrol Officers** Byrn, and Bialek will help foot patrol erect barricades, then stay close to the parade and control any traffic issues that need addressed.
