POLICE RESOURCES

Two marked police vehicles will assist with the walk, arriving in the 1100 block of Massachusetts at approximately 0950 hours. One car will lead the walkers at 1000 hours, clearing intersections to allow the walk to cross 11th Street, 10th Street and 9th Street. The second police vehicle will follow the walkers to prevent vehicles from moving into the back of the group of walkers.

At Eighth Street, the walkers will exit the street. Once they are safely on the adjacent sidewalks, police involvement will be complete.
