TO: David Corliss, City Manager  
FROM: Theresa Roach, Gould Evans  
Cc: Brad Allen, Director, Lawrence Public Library,  
Date: April 4, 2014  
RE: Library Furniture

## *Summary*

In fall of 2013, the Lawrence Public Library started negotiating with vendors on state of Kansas purchasing contracts and preparing a request for proposals for other furniture items to be bid. Nine bids were received for the bid items and pricing was very competitive.

Gould Evans has assisted the library in reviewing the bids & contract pricing received. The Lawrence Public Library is purchasing from multiple vendors and has already made most purchases. LPL would now like to proceed with the next purchasing contract with Designed Business Interiors of Topeka, KS. This quote is for service desks, children's computer tables, lounge furniture, task chairs, auditorium furniture and miscellaneous accessories. Also included in this is the design fee for the inventory and redeployment of existing office furniture that is being reused. The cost of this order will be \$173,875.11 and brings the total ordered to 553,916.96 of the budgeted \$572,000.00. No other large purchases are anticipated. The remaining budget is intended for way finding graphics on the book stacks and any additional accessories needed.

## *Recommended Action:*

Authorize purchase order with Designed Business Interiors in the amount of \$173,875.11.
