

BOYS SCOUTS' GOOD TURN PROJECT CELEBRATES ARBOR DAY; TREE CITY ACHIEVEMENT

The City of Lawrence received recognition as a *Tree City USA* city for the 36-consecutive year by the National Arbor Day Foundation. To celebrate the occasion and also commemorate Arbor Day and Earth Day, LPRD teamed up with area Boy Scouts to plant shade, evergreen and ornamental trees in Oak Hill and Memorial Park cemeteries. The planting also served as the Boy Scouts' Good Turn Project for 2014.
