Ecoflow

City of Lawrence
720 W. 3rd
Lawrence, KS 66044

Ecoflow Hotline:
785-832-3003

Come to this free informational meeting to find out how the Ecoflow program is going to help the City of Lawrence:

- Renew and repair the aging sanitary sewer system
- Remove selected private surface runoff and groundwater connections to the sanitary sewer
- Reduce the need for capacity expansion of the existing treatment facility
- Provide proper private connection repairs to the system at no cost to the owner

The City of Lawrence officials and TREKK Design Group members will be on hand for a presentation, answer questions and will take appointments for building/plumbing evaluations.
