Mark Thiel  
Assistant Public Works Director/Infrastructure & Maintenance  
City of Lawrence

Dear Mr. Thiel,

The annual Kansas Half Marathon Fundraiser will be held this year on Sunday November 2nd at Watson Park in Lawrence, Kansas. In order to ensure the success of this very important fundraiser, we are seeking contributions to help defray the costs associated with the event, so that all funds raised can go directly toward the community. We'd like to request that Lawrence-Douglas County Fire Medical's services for the event be donated by the City of Lawrence. We'd also like to request the services of the City of Lawrence Police Department be donated.

Generous donors like the City of Lawrence are the key to our success and make it possible for Health Care Access to provide local individuals and families in need with assistance and critical services. This event accounts for over 10% of the clinic's operating budget and every dollar raised is critical to continuing serving the low-income and uninsured of Douglas County.

We thank you for your time and consideration.

Sincerely,

Elliot Craig Johnson, Development Coordinator
