

## UNDERWATER EGGSTRAVAGANZA THRILLS CHILDREN

The Underwater Eggstravaganza was held the first weekend of April and saw more than 40 kids. Kids made crafts and were visited by the Easter Bunny. After photos, baskets were handed out to collect eggs and the hunt started at 12:30. Each child collected 5 eggs, which were turned in for a ticket that was exchanged for a gift bag. 10 lucky kids found golden eggs, and they received special gift bags. Each child also received a decorated cookie from Eileen's Colossal Cookies.
