  - Coroner Services

City of Lawrence

# Agency Accreditation

- Standard of Cover

The Center for Public Safety Excellence (CPSE) defines the standards of cover for a fire

department as being those “adopted written policies and procedures that determine the distribution, concentration and reliability of fixed and mobile response forces for fire, emergency medical services, hazardous materials and other forces of technical response”.

City of Lawrence

# Fire Fighter Staffing

NFPA 1710 Compliant

Staffing Goal

4 firefighters on Fire Apparatus

2 firefighters on Ambulances

(One interior fire attack only)

Federal and State Certifications  
Officer and Supervisory  
Blue Card  
Technical Rescue  
High Angle  
Structural Collapse  
Water/Ice  
Hazardous Materials

City of Lawrence

---

# Facility Connectivity

Strategic Goal 4 indicates the need to acquire and utilize the most current and integrated technology systems available to use in the management of the department.

## Fiber Connectivity

We need to complete the fiber connectivity to Station No. 2, Station No. 3, Training Center.

The use of Station Video Conferencing has reduced fuel costs and assisted in reducing our effective response force response times.
