Dear Mr. Harris:

Please accept this letter of support for the Community Development Tax Credit application submitted by Lawrence Humane Society.

The Lawrence Humane Society provides a critically needed service to the City of Lawrence and its residents, and this project will allow the LHS to provide a higher quality of care to the animals they house along with significant cost savings in functional and operational areas. The Lawrence Humane Society is the only facility in Douglas County that provides resources, training classes, educational opportunities, emergency services and shelter to people and pets in our community. Its renovation will create needed space and improve the health and safety standards of the facility. It will allow the community more access to the full range of services and programs focused on reducing the number of animals who require the shelter safety net.

Thank you for consideration.

Sincerely,

Jeremy Farmer
Mayor
