Diane:

Commissioner Boley asked me to send you the two charts attached that show the funding and households served from the HOME Grants from HUD that the City allocated to us.

Please note that the 2015 Grant just started on August 1, and we are working to issue those voucher, but that is why you see 0 tenants for 2015. Additionally, the 7 household from 2013 will start moving to out permanent Section 8 program as they complete the 24 month transitional period.

I will attend the meeting tomorrow if anyone has questions.

Please feel free to call me if you need additional information prior to the meeting.

Thanks,
Shannon
