I hereby certify, to the best of my knowledge and belief, that all of the information on this application and on drawings submitted in support of this application are accurate. I understand that any sign that is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations of the City is a violation of the City Code. I also understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations of the City does not create any legal nonconforming status, nor does it remove any obligation to bring the sign into compliance. I further understand that no sign shall be installed until a sign permit has been approved by the City.
