Greetings Mayor and Commission.

As LAN chair am sending you some suggestions for possible questions to consider for CC applicants. LAN hopes to get a candidate that has experience with city government and understands the interests of all of our neighborhoods. Best wishes to you as you make your selection. Sincerely, Candice Davis

QUESTIONS from the Lawrence Association of Neighborhoods 9-20-15

1. There has been a lot of talk about “new ideas”. What are some of your ideas and how will your leadership experience help make them a reality?
2. What do you believe are the ingredients to a thriving and healthy city?
3. How does good land planning play a role in the future of a livable city?
4. What constitutes a desirable, healthy neighborhood that you would wish to live in?
