3-Dec-13	May consist of speed humps and/or traffic calming circles												

SPEED: 5 points will be assigned for each mile per hour that the 85th percentile speed exceeds the lawful speed limit. Blue strike-through indicates in-process or completed.
VOLUME: 1 point will be assigned for every 100 vehicles per day on local streets; 1 point will be assigned for every 300 vehicles per day on collector streets
CRASHES: 1 point will be assigned for each reported property damage crash along the project corridor during the previous 3 years; 2 points for injury; 5 points for fatal
SIDEWALKS: 5 point will be assigned for there is not a continuous sidewalk along both sides of the project corridor; 10 points if not on either side
SCHOOLS: 10 points will be assigned for each unprotected official school crosswalk that crosses the project corridor
PEDESTRIAN GENERATORS: 5 points will be assigned for each pedestrian generator such as a park, school or recreation center adjacent to the project corridor
