

Low-Income Elderly Utility Rates

The City Commission passed an amendment to the City Ordinance that allows qualified elderly residents reduced water, sanitary sewer and sanitation charges. Those residents that meet the guidelines below should complete an application and provide the needed verification materials.

The purpose of this amendment is to permit qualified low-income elderly persons to have reduced water, sanitary sewer and sanitation charges. A low-income elderly person is one who is sixty (60) years of age or more before the 1st day of January of the year in which the reduced service charge is applicable. To qualify for these low-income elderly reduced charges:

- The individual shall have an income during the preceding calendar year from all sources of less than \$13,068 or
- Any elderly person who is the head of a family with a family income during the preceding calendar year from all sources of less than \$17,622

If you think you
qualify please ask
for an application.
