Hello Mr. Hecker and Mr. Green,

Brook Creek Neighborhood Association would like to meet with you about what we discussed at our meeting from a couple months back, about our Nature Area. We created a community session and met with concerned neighbors. From that meeting we have written a proposed resolution that we would like to pass on to you and the Parks & Recreation Advisory Board.

I will attach the document for your viewing. Please let me know when a convenient time would be to meet with you, if you wish to discuss the document. Thank you for your time and consideration.

Sincerely,

Melissa Fahrenbruch
