To the City Commission:

Re: Fourth Annual Kansas Food Truck Festival benefiting Just Food

Dear City Commissioners:

The East Lawrence Neighborhood Association is excited that the Annual Kansas Food Truck Festival benefiting Just Food is continuing to be held in East Lawrence.

We recognize the benefit of the event that involves neighborhood, Lawrence and regional businesses and organization. Most importantly, we appreciate that the money raised, over \$40,000 at last year's event, will help provide meals for the nearly 12,000 Douglas County residents served by Just Food every year.

As a neighborhood, we also simply enjoy it.

At our February ELNA meeting, we voted unanimously (14-0) to support the Kansas Food Truck Festival's continued presence in the East Lawrence Neighborhood.

We encourage you to approve Ordinance 9331 as well as the Special Event Permit, requested by the Kansas Food Truck Festival for this year's event, in the Warehouse Arts District, an important part of the East Lawrence Neighborhood.

To: City of Lawrence

Hello!

I am writing this letter to let you know how excited we are at Bon Bon for this year's Food Truck Festival, benefitting Just Food!

My husband, Simon, and I have attended the Food Truck Festival in the past and really enjoyed ourselves at this exciting event that generates much needed funds for a non-profit we happily support. When we opened Bon Bon in October, we had the Food Truck Festival in the back of our minds as we knew it would effect our business in some way. As a business adjacent to the event we do not oppose the event. We see nothing but this event having a positive effect on not only our business, but our neighborhood of long standing and budding businesses.

We are thrilled the Food Truck Festival will be in our neighborhood and as a neighbor (our private residence is at 1001 Delaware Street) and business fully support the event!

All the best!

Codi Bates

owner, Bon Bon!

I, as business owner or representative, give full support for the closing of Pennsylvania Street from 9am to 11:55pm on Saturday, May 6th, 2017 for the purposes of the Kansas Food Truck Festival. I will cooperate with any and all event set up before, during and after the event so long as the street remains open and navigable immediately before and after the scheduled event time.
