RE: Recommendation for Award  
Lower Naismith Valley Interceptor Sewer  
City Project No. UT 1608 PEC Project No. 160837-000-3975

Dear Andy:

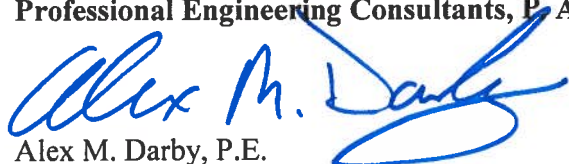

I have attached the March 7, 2017, bid tabulation of the nine bids received for the above-referenced project for your records. All bids were checked for accuracy, completeness and other applicable requirements and corrected accordingly. The bids received were as follows:

RD Johnson Excavating	\$524,715.00
Greeley Excavating	\$633,679.00
Site Rite Construction	\$642,000.00
Middlecreek Corporation	\$650,713.10
Wolf Construction	\$653,088.00
VF Anderson Builders	\$669,124.00
BRB Contractors	\$818,810.50
Linaweaver Construction	\$825,095.00
Nowak Construction Co., Inc.	\$892,131.00
Engineer's Estimate	\$951,104.00

A small math error was noted in the RD Johnson Excavating and Wolf Construction bid, but didn't significantly change the bid amount or the bid order. RD Johnson Excavating has successfully completed numerous project for the City of Lawrence in the past.

Based on the above information, PEC recommends that the City of Lawrence award the construction contract for the Lower Naismith Valley Interceptor Sewer to RD Johnson Excavating of Lawrence, Kansas in the amount of their bid of \$524,829.00.

Very truly yours,  
Professional Engineering Consultants, P.A.
