RE: Jorabelus Meeting

Dear Ms. Protheroe:

Thank you for meeting with Scott Wagner and me about your plans to form a not-for-profit agency to help domestic violence victims navigate the judicial system. It was an informative meeting. You requested that the City coordinate with KU to help you set up the program or agency. The City is not in a position to help you formulate or establish the agency. There may, however, be other resources in the community that can help, including the United Way of Douglas County, or a private attorney. Once you have established the agency, and it is up and running, please contact us again. We may refer persons to your agency in the future.

Best wishes to you in your endeavors.

Sincerely,

Maria Garcia
Assistant City Attorney

We are committed to providing excellent city services that enhance the quality of life for the Lawrence Community
