

Community Police Review Board Confidentiality Agreement

As a member of the Community Police Review Board (Board), City Code requires you to read and sign this document before partaking in any receipt or review of a citizen's complaint against the police department or any of its officers.

I understand that my association with the Board and the Lawrence Police Department does not constitute a "right to know" law enforcement-sensitive information, but that I may be exposed to sensitive information through my review of certain law enforcement documents.

My signature below acknowledges that I understand any information to which I may have access, either directly or inadvertently, in my capacity as a Board member, including but not limited to criminal history record information, driving records, addresses, dates of birth, and other personal information, is confidential and shall be protected from dissemination to anyone outside of this Board. I understand that I am absolutely prohibited from disseminating or disclosing any information I view or obtain as a member of the Board, including during my tenure as a member of the Board and at any time in the future, unless otherwise required by law.

I understand that failure to keep information confidential will result in my removal from the Board and may result in potential legal consequences for me personally, including criminal and civil sanctions.
