Subject: [old ci.lawrence.ks.us] Infrastructure Sales Tax

=== Three questions to the tax payers and City Commissioners:

Instead of:

Question #1: a 0.3 percent for streets & infrastructure

Question #2: a 0.2 percent sales tax for transit

Question #3: a 0.05 percent sales tax for transit

=== I respectfully request the sales tax be revised to read :

0.05 percent sales tax for transit

0.3 percent sales tax for affordable housing

0.2 percent sales tax for Complete Streets/Walkable Community/Safe routes to school.

Thanks much for your attention,
