Re: Lease for 342 Missouri

Dear Mr. Markus:

As you know, the City has leased property at 342 Missouri to our agency since 1982. The most recent lease extension will expire on 1-1-2018, and we hereby request an extension. We very much appreciate the on-going support we have received from the City, and we look forward to a continued partnership in our efforts to improve the lives of children and families.

Sincerely yours,

Gina Meier-Hummel
Executive Director
