Quote No:	278755
Date:	10/23/2017

Dave,

This price includes Freight, 5 years of Extended Warranty and Startup of both drives.

Line #	Part #	Description	Quantity	Unit Price	Ext. Price
1	Custom Drive	ACS880-37-0570A-5+B055+C129 with mods to Replace Robicon at Activaflow Pump #2	2	\$64,690.29	\$129,380.58
Total:					\$129,380.58

All purchase order terms are net 30 days F.O.B. factory. Credit cards are charged upon shipment of order. The freight and prepaid insurance will be added to the invoice with standard shipping via UPS ground. Surcharges may incur for special delivery and/or payment by credit card. Prices are firm for thirty days. After that time, costs may be subject to escalation in the event of a price increase by the manufacturer.

Thank you for the opportunity,

Don VanLandingham
