RE: Community Advisory Committee Appointments
Indoor Football Practice Facility

Dear Neeli:

I appreciate the project information and solicitation of city representation on the ad hoc Community Advisory Committee for KU's Indoor Football Practice Facility (IPF) on the Lawrence campus. It looks to be an important project for KU and the community.

The City appointments to the Community Advisory Committee for the IPF project will be Scott McCullough, Planning & Development Services Department Director, and Chuck Soules, Public Works Director. Scott can be reached at 785-832-3154 or at smccullough@lawrenceks.org. Chuck can be reached at 785-832-3124 or at csoules@lawrenceks.org. They are excited for this appointment and look forward to participating in the upcoming meetings.

In your letter you solicited appointments from the affected neighborhoods. I would note that per the cooperation agreement between the City of Lawrence and University of Kansas, neighborhood representative appointments are made by KU. We appreciate the opportunity to provide names, but believe it important that KU reach out directly to the neighborhood contacts to discuss who they may want to serve on the committee. To reach that end, we provide the contact information we have on file below of the neighborhood associations that we believe should be represented on the committee.

- Oread Neighborhood Association
 - Serina Hearn, 785-842-6618, oreadneighbor@gmail.com
 - Rick Kupper, 913-634-3757, rbkupper@yahoo.com
- West Hills – Oliver Minnis, 785-550-7945, oliverminnis@stephensre.com.

Please let me know how the city can help in other ways as the needs arise on this project.
