## **MINUTES**

Chair Katherine Weik called the meeting to order at 7:00 p.m. in the Lawrence City Commission Chambers at Lawrence City Hall, 6 E. 6th Street.

Review and approval of June 21 meeting minutes (July meeting was cancelled) was tabled until September 13 meeting.

### ***New Business:***

- Confabularrayum table event on August 5 went well. Katherine and Kate oversaw the table operations which included introducing the Lawrence Loop and asking people to create chalk images that might go on the Loop as part of a future sidewalk chalk event. Lots of interest in sidewalk chalk art event. Many people contributed pictures and naming ideas for sections of the Loop. Porter offered support and helped with clean-up.
- ArtPlace Grant – update on proposed program for East 9<sup>th</sup> St. Sarah Bishop is communicating with ArtPlace but communications can be slow as ArtPlace's response sometimes takes a few days. Chris Lempa was invited to the table to share his questions and concerns. In reference to letter from Porter to LAC in April: Kimberly and Sarah met with Porter and Diane Stoddard in March and explained that while the revised and simplified East 9<sup>th</sup> Street project was being considered by the City Commission, the LAC needed something from the city to show commitment as part of the effort to keep and extend the grant. The letter offered an outline proposal of suggested options. Before and just after Kimberly Williams left on July 31, Porter and Katherine met with Sarah Bishop, Cindy Maude and Ben Ahlvers to further update the outline proposal per ArtPlace suggestions and with the understanding that money needs to be spent by June 2020 when the ArtPlace program sunsets.
  - John Hachmeister is voluntarily coordinating a meeting on August 10 at his space at 8<sup>th</sup> and New York with some key people to provide a place to discuss ideas for the future of art activities in East Lawrence. Porter will attend.
- Discussion on advisory boards/committees – Talk of combining the P&R board with LCAC is on hold as the City Commission didn't indicate they want to pursue at this time.

### ***New Business:***

- AEP5 – Porter will present on AEP5 and other related research at September 13 meeting
- Coffee and Culture meeting was held on Tuesday, August 8 and attended by Katherine, Kate, Mike, Richard, Nell King, Lisa Larsen, Matthew Herbert, Mandy Enfield, Marilyn Hinojosa, Patrick Kelly, Nick Carswell – Michael Davidson presented on event tracking and data

software; talked about Confabularrayum and Lawrence Loop awareness as well as the recent suggestion from the City Commission of combining Parks and Recreation board with LCAC.

***Committee updates:***

Programming

- Phoenix Awards date changed to Sunday, November 12<sup>th</sup> at 2 p.m. Alos reminded about soliciting nominations.
- Final Fridays - way to add a sign up list for artists/venues to get together, simple rules for final Friday?

Public Art

- Porter met with Chief Bradford and architect on FS 1 – no a whole lot of potions to integrate art into building process but will outline some in the RFQ. Project was delayed but is moving forward \$25,000.00 art budget.
