RE: Recommendation for Award
West 23rd Street Geometric Improvements
City Project No. PW 1722/UT 1720 PEC Project No. 171385-001

Dear Zach:

The bid was checked for accuracy, completeness and other applicable requirements. The only bid received was as follows:

Sunflower Paving, Inc.	\$2,077,599.20
Engineer's Estimate	\$2,121,071.00

Their bid documents for this project appear to be in order. Sunflower Paving, Inc. recently completed the 2017 Milling, Patch, Overlay and Concrete Maintenance Program at multiple locations across the City and is currently under contract with the City on the 2018 Milling, Patch, Overlay and Concrete Maintenance Program.

Based on the above information, PEC recommends that the City of Lawrence award the construction contract for the West 23rd Street Geometric Improvements Project to Sunflower Paving, Inc. of Lawrence, Kansas in the amount of their bid of \$2,077,599.20.

Very truly yours,
Professional Engineering Consultants, P. A.

Jason L. Fundis, P.E.
