Dear Douglas County Heritage Grant program committee:

Thank you for your consideration of this application from the Douglas County Historical Society. The City of Lawrence, as the owner of the Grover Barn Underground Railroad Site, is fully supportive of this grant application and the placement of interpretive signage recognizing the importance of Grover Barn as a documented Underground Railroad site. The City will support this project by assisting with the placement of the signage and their installation. Your favorable consideration would be appreciated.

Sincerely,

Lisa Larsen
