

Brew to Brew Finish Line Event
April 7th 2019
800 Block of Pennsylvania St

We are hosting the finish line to the annual Brew to Brew KC to Lawrence fundraising run. We are hoping to utilize the public street and parking on the 800 block of Pennsylvania for the finish line and outside beer garden.

We will use snow fence to create a perimeter along the sidewalk on the west side of the street, along with gaps between buildings on the east side of the street. 8th st and 9th street will remain open, and we'll use type 3 barricades on the north and south ends of Pennsylvania St to close the area to traffic. Traffic will be able to use alternate north/ south travel on Delaware and New York streets. We will staff both entrance points to ensure alcohol does not leave the premises.

Lawrence Beer Company and KC Running Club Volunteers will be responsible for clean up during and after the event. We are utilizing reusable cups to minimize environmental impact

Our normal street and lot parking in east Lawrence will be available.

Inside the event footprint will be the finish line itself, a beer tent, two food trucks, picnic tables, and portable toilets. Our restaurant and patio will be accessible to runners as well. Portable toilets will be rented through Anderson Rentals. Specific food trucks TBD. We will utilize only the street and pull-in parking on the east and west sides of the street for the footprint.

Total attendance is estimated at 4,000 runners, spread throughout the day with the first ones arriving approximately 10 am and the last group arriving approximately 5pm.
