

# BOYS & GIRLS CLUB OF LAWRENCE

Feb 14, 2019

Dear Lawrence Neighbor,

We need your help. The Boys & Girls Club of Lawrence would like to host a fundraiser called "Over The Edge" on June 1, 2019. Like the name implies, participants will literally go over the edge of a building and rappel down to the street. We have selected the 888 Lofts building! We are very grateful to First Management and the staff at 888 Lofts for their partnership in this, but your approval is extremely important to us, too. This event was hugely successful last summer, and I'm really excited to bring it back to Downtown Lawrence.

Please sign below if you approve of the following:

- Partial street closure on New Hampshire St. from the 9<sup>th</sup> & New Hampshire intersection to the end of the 888 Lofts building, from 7 am to 5 pm on June 1, 2019. This is approximately half of the block. (Special consideration is being made to keep access open to the downtown parking lot.) See attached site map.
- A ground party will take place inside the fenced area. Approximately 80 participants will be invited to attend, as well as our event sponsors, BGC supporters and the general public. We expect 300-400 people at the ground party throughout the day, hopefully driving traffic to each surrounding business.
- Boys & Girls Club is responsible for providing trashcans and restroom facilities on site.
