Obligee: City of Lawrence, Kansas  
Description: Project No. PW1502; E. 9<sup>th</sup> Street Construction

Dear Mr. Bond:

Westfield Insurance Company (WIC) is the surety for Pavers, Inc. on the above-referenced bond. WIC has learned that Pavers has failed to discharge indebtedness to third parties when due, including subcontractors and/or suppliers whom performed on this project. Therefore, WIC, in agreement with Pavers (see Pavers payment direction letter), directs that the monies due on Pay Estimate #8 in the amount of \$203,264.68 be made payable to "Westfield Insurance Company" for distribution by Westfield to the listed subcontractors/suppliers as follows:

J. Warren	\$143,996.25
RD Johnson	\$59,268.43

Future payments shall also be directed to the surety and require the consent of surety.

Thank you in advance for your cooperation.

Sincerely,

Matthew G. Burg
