General Information: Each year, the City Commission considers requests for the allocation of dollars to a number of agencies that provide services benefiting the Lawrence community. These funds are to be used pursuant City Charter Ordinance 33, which states,

"Moneys in the special alcohol and drugs programs fund shall be expended on such programs, services, equipment, personnel, and capital expenditures as the governing body may from time to time determine is in the best interest of the public to address one or more of the following:

- (a) Prevention of alcoholism and drug abuse, including but not limited to education, counseling, public informational efforts and related activities; or
- (b) Alcohol and drug detoxification efforts and related activities; or
- (c) Intervention in alcohol and drug abuse or treatment of persons who are alcoholics or drug abusers or are in danger of becoming alcoholics or drug abusers; or
- (d) Law enforcement, prosecution, court activities and programs, or portions thereof, related to apprehending, prosecuting, adjudicating or monitoring individuals who are alcoholics or drug abusers or are in danger of becoming alcoholics or drug abusers, including individuals who are or may be charged with violating laws related to alcohol or drug use; or
- (e) Education, counseling, public information efforts, and related and associated activities related to preventing drug abuse and alcohol abuse, including but not limited to efforts to encourage healthy youth and family development and related efforts which include as a partial element drug abuse and alcohol abuse education, counseling, or public information efforts; or
- (f) Programs, activities, or efforts related to preventing or intervening in drug abuse and alcohol abuse, including programs, activities, or efforts for which drug abuse and alcohol abuse prevention or intervention comprises a partial element of the complete program, activity or effort; or

The appropriation of funds by the governing body for such a program, activity, or effort shall be conclusive of compliance with provisions of this ordinance, and separate findings shall not be required."

Applications will be reviewed by the Social Service Funding Advisory Board at meetings held June 7 from 8:30 to 12:30. **Applicants are asked to make a contact person available by phone during this time in case questions arise.**

Following their review, the Advisory Board will forward recommendations for funding to the City Commission. Recommendations will be based upon the following criteria:

- availability of city funds
- the need demonstrated through the agency's application
- the stated objectives of the applicant's program
- alignment of the program with City Charter Ordinance 33
- the efforts to collaborate and avoid duplication of service demonstrated through the application
- outcomes that move program participants from total dependency toward measurable levels of independence
- ability to measure progress toward the program objectives and the City Commission Goals
- past performance by the agency in adhering to funding guidelines (as appropriate)

The final decision regarding funding will be made by the City Commission when they adopt the Annual Operating and Capital Improvement Budget in August.

Other Information. Collaboration and/or coordination between organizations is highly recommended and multi-agency proposals to address an identified community problem are encouraged. Programs should have research based effective strategies or "promising approaches." All programs must have goals with measurable outcomes.

Please note that funds will be disbursed according to the following schedule unless otherwise agreed to in writing:

- First half of funds will not be disbursed before April 1
- Second half of funds will not be disbursed before October 1

The budget picture from the Kansas Legislature continues to create uncertainty as to the status of the local portion of the alcohol liquor tax. If the Legislature decides to eliminate or reduce the local portion of this tax, it will impact the City's ability to fund programs. The City of Lawrence is proceeding with the Request for Proposal process and accepting applications for the alcohol tax revenues with the understanding that funding levels are potentially subject to reductions by the State Legislature.
