

Temporary Use of Public Right-of-Way Permit Application

Please allow up to 14 days for the processing of this application.

By submitting this permit application, the applicant swears and certifies that:

- The applicant will obtain utility locates before digging, trenching, or boring in the right-of-way;
- The applicant understands that no work in the right-of-way, other than obtaining utility locates, is permitted until a Temporary Use of Public Right-of-Way Permit is affirmatively issued;
- The applicant has read Chapter 16, Articles 8 and 9 of the Code of the City of Lawrence, and understands the regulations therein;
- The applicant will restore the right-of-way to city specifications;
- The applicant will notify the city when the use of the right-of-way is complete;
- The applicant will maintain traffic control devices in compliance with the Manual of Uniform Traffic Control Devices (MUTCD) throughout the project;
- The applicant will meet the conditions of any applicable KDOT permit;
- The applicant will obtain approval from the City of Lawrence Parks and Recreation Department before digging, trenching, or boring within ten feet of any tree in the right-of-way; and
- The applicant understands that the permit holder is responsible for covering meters with meter bags or posting no parking signs associated with this permit at least 24 hours in advance. The city will not tow vehicles parked in violation of either the meter bags or no parking signs. Towing vehicles in association with this permit is the sole responsibility of the permit holder. The permit holder is liable for any and all claims that involve vehicle removal. The city will refer any and all concerns/complaints by citizens to the permit holder. The permit holder is responsible for taking reasonable steps to appropriately handle the concerns/complaints.
