The cost for any additional inspections shall be the same as the Inspection Fee established at Section 6-1311(A) and shall be assessed to the Owner/Licensee.
- (D) The inspection shall be performed using an Inspection Form substantially similar to the form attached as Appendix C to the Regulations, as promulgated the City Commission under Section 6-1323(A).
- (E) Residential Rental Property that qualifies as New Construction or as Major Reconstruction, as those terms are defined in this Article, shall be exempt from inspection for a period not to exceed six (6) years commencing on the date the Residential Rental Property passes its final building inspection. However, Residential Rental Property that qualifies as New Construction and Major Reconstruction must, upon completion of the construction or renovation, register each Dwelling Unit and obtain a Rental License for each Dwelling Unit in accordance with this Article.
- (F) It is the policy of the Governing Body that the Code Official make a reasonable effort to minimize any inconvenience caused to Tenants by inspections. - (C) Any subsequent re-inspection, required after the initial re-inspection, shall be charged a Re-inspection Fee of \$50.00 per Dwelling Unit re-inspected. The Re-inspection Fee shall not apply to any re-inspection that is necessitated solely by the actions of any Tenant.

6-1312

INCENTIVE.

As an incentive to Licensees, if the Code Official reports no more than five (5) violations, as identified in Section 6-1314, per Dwelling Unit on any Premises and in Dwelling Units inspected, then all Residential Rental Property licensed by that Licensee shall be exempt from inspection under Section 6-1310 for a period of six (6) calendar years. (Such exemption shall not apply to any inspection made as the result of a complaint within that exempted period).
