

Moving this Summer?

Donate & Recycle your unwanted...

Clothing & Household Items, Electronics, Non-Perishable Food, Cleaning Supplies & Paint

Summer months are the peak time for moving out of apartments and homes in Lawrence. Moving can create a lot of waste, but a little planning can go a long way toward reducing the amount of waste your move produces.

Please help our community keep reusable goods out of the landfill!

City of Lawrence

Residential Moving Tips

Cardboard Boxes

Use the City-sponsored drop-off bins for large quantities of cardboard boxes. Visit our website to find the nearest location to you.

Bulky Item Pickup

Schedule a pickup for bulky items no longer usable (carpet, tires, appliances) by completing the form on our website or calling 832-3032.

Safe Disposal of Household Hazardous Waste

(paint, cleaners, pesticides, etc.)

Drop off items during facility open hours. Visit our website for hours of operation.

Recyclable Materials Directory

Search for local donation, reuse, and recycling options. To search the directory, visit our website.

When moving, do not take the City trash and recycling carts with you. These carts belong to the address delivered. Yard waste carts purchased from the City can be moved to your new address.

Visit our website: LawrenceRecycles.org

Some larger items may be acceptable for **Donation Pick-up**. Schedule a pick-up by calling Habitat Restore (856-6920) or Salvation Army (856-1115).

Buy/Sell Reusable Goods at thrift and consignment stores, garage sales, Craigslist, Freecycle, and more. Full list and more information available on our website.
