

Bring your best friend or your best spouse and leave the details to us. The day starts with lunch served table side at **Lidia's**-authentic Italian dining in the historic Crossroad's District. Next stop— **Musical Theater Heritage in Crown Center**. We'll attend a matinee performance of their original Revue "Big Bands Are Better" featuring the evolution of the Big Band era highlighting the synergy between big band music and American Standards, many of which were born on the Broadway stage. From classic arrangements by Glenn Miller and Artie Shaw, to more contemporary arrangements made famous by Harry Connick, Jr. and Michael Buble, this show will offer the rare opportunity to hear the Great American Songbook accompanied live on stage by an 11-piece Big Band, an event rarely seen in today's landscape
