# How to Ride

## Route Identification

All buses have destination signs on the front and on the curb side near the front door. The destination sign displays the route number and destination of the bus (example: 6 Downtown). Read the signs carefully to ensure you are boarding the correct bus.

## Locating a Bus Stop

Passengers will be allowed to board or exit a vehicle at any marked bus stop. Bus stops are identified with signs. If there is no sign along a route, the bus can be waved down. Buses will stop only at designated stops (with signs or shelters) on 6th, 9th, 23rd, and Iowa streets, Naismith Drive and on the KU campus.

The bus can stop to allow passengers to board or exit at an intersection or major business access only if the driver deems it is safe and appropriate to do so.

The bus will not make multiple stops in a single block.

## Getting on the Bus

- ♦ Wave to get the attention of the bus driver so he/she knows you want to board.
- ♦ Stand back from curb when bus is approaching.
- ♦ Take a seat if available, and remain seated at all times.
- ♦ Always board the bus through the front door. Insert ticket or cash fare (exact change only) into fare box, or show driver KU Card, bus pass or transfer slip.
- ♦ No fare required at stops located on the KU campus.

## Getting off the Bus

- ♦ Pull the bell cord above the windows prior to your destination stop.
- ♦ Remain seated and wait until the bus comes to a complete stop before attempting to exit.
- ♦ Exit the bus using the rear door, allowing other passengers to board through the front door without delay.
- ♦ After you exit, stand to the side of the road or on the sidewalk until the bus has pulled away.
- ♦ Never cross the street in front of the bus.

## Tips for Riders

- ♦ A bus is considered on time up to 5 minutes after the scheduled time.

- ♦ Arrive at the bus stop early. Too early is better than missing the bus.
- ♦ Have your pass, ticket, or fare ready before the bus arrives.
- ♦ Bus drivers are good resources and are willing to help. If you need assistance, please ask.
- ♦ Businesses located near bus stops will not provide restrooms, change, or phone services to transit patrons.
- ♦ Make sure you leave with all items you brought on the bus.

### Mobile App

Check out our free bus app with real time data. Available in iTunes and Google Play by searching “My Bus Lawrence.”

### Text Message

Step 1: Find your stop number located on the bus stop sign. Step 2: Send a text to 41411. The text message should be formatted as follows: TRIP #### (#### = bus stop number). For example, if you are waiting at bus stop #173 at the Kansas Union, your text message would be TRIP 173. Step 3: Press send and you will receive the next bus arrival times for that stop. Learn more at: [lawrencetransit.org/mobile-tools](http://lawrencetransit.org/mobile-tools).

## Trip Planner

The trip planner is a tool that makes it easy to determine the best way to get to your destination. By entering simple data about where you're going, you can view several options for planning your trip on the bus. For more information, visit [www.lawrencetransit.org](http://www.lawrencetransit.org).

## Bikes on the Bus

Combining biking and transit can get you farther in Lawrence. There are just a few things to be aware of when taking your bike on the bus.

- ◆ There are two bike racks on each bus. Racks are available on a first-come, first-served basis.
- ◆ If there are no bikes in the rack, you should place your bike in the slot closest to the bus.
- ◆ To lower the rack, squeeze the handle and pull it down. After placing your bike in the rack, raise the support arm over the front tire to secure it.

- ◆ Please remind the driver that you will be removing your bike when you get off the bus.

## Service Alerts

## Weather

However, service shall not be canceled or suspended until after all return trips, to the extent reasonably possible, have been provided. Text alerts for reroutes and weather-related cancellations are automatically sent to riders who use the My Bus Lawrence app.
