*The following questions may be answered on this form or attached to the form as a separate document.*

- 1) Describe the outcome of this project - This year's Busker Festival saw record crowds over the three days we performed on the street. This event continues to grow despite our best attempts to screw it up. I guess it has a life beyond anything we have created. We brought in more out of town acts than before who helped expand the scope of what is possible to perform on the street. Next year's plans are already in the works to make it even bigger. Stay tuned.
- 2) Did this project change substantially from how you described it in your grant proposal?  yes  no  
If yes, please describe why and how it changed and the impact of this change on the outcome.
