RE: Lawrence Memorial Hospital Request for City Issuance of Hospital Revenue Bonds

Introduction

Founded in 1921, the Lawrence Memorial Hospital (LMH) is a municipal hospital created as an instrumentality of the City under the City Hospital Statute (K.S.A. 12-1615). The Hospital's main campus, located at 325 Maine Street, provides medical services and a 174-bed facility to serve the health care needs of Lawrence and the surrounding community.

LMH is a community-owned not-for-profit hospital and invests all excess revenues in services, equipment and facilities to further its mission to improve the health of the community. The hospital is led by a nine-member volunteer Board of Trustees, appointed by the Mayor and confirmed by the Lawrence City Commission. Throughout the years, additions have been made to the hospital and LMH services expanded to meet the increasing health care needs of the community. The City has supported this growth through past bond issuance under the Revenue Bond Act (through Series 1994, Series 1997, Series 1999, Series 2003, Series 2006, Series 2011, Series 2012, and Series 2013 bonds).

It should be noted that revenue bonds do not obligate the City to market or pay back the bonds. Revenue bonds will allow LMH to benefit from the interest on the revenue bonds being exempt from federal income taxation.

Due to LMH's status as a municipal hospital and an instrumentality of the City, LHM is not subject to property taxes nor sales tax. Consequently, no local incentives are under consideration related to the bonds. Rather the request is being made so LMH can satisfy federal tax law requirements so interest on the bonds will be exempt from federal taxation.

Request

Staff received a letter and application from LMH on February 5, 2018, requesting City assistance with Hospital Revenue Bond issuance to help meet the expanding healthcare needs of the community. LMH is requesting the City issue up to \$65,000,000 in Hospital Revenue Bonds to provide funds for:

- Acquisition and development of approximately 20-acres of land at the northeast of intersection of Sixth Street and Kansas Highway 10
- Acquisition, construction, improvement, extension, repair, equipping and furnishing of a new 200,000 square foot medical facility to be located at the northeast of intersection of Sixth Street and Kansas Highway 10
- Acquisition, improvement, extension, repair, equipping and furnishings of existing LMH facilities located at 1112 W 6th Street and 404 Maine Street in Lawrence Kansas
- Miscellaneous capital expenditures for LMH's health care facilities in Lawrence, Kansas, including LMH's main campus and other health care facilities locations.

Kansas Revenue Bond Act

The state of Kansas allows cities and counties to issue revenue bonds, under statute K.S.A 12-1740 to 12-1749, for paying all or part of the cost of purchasing, acquiring, constructing, reconstructing, improving, equipping, furnishing, repairing, enlarging or remodeling facilities for agricultural, commercial, hospital, industrial, natural resources, recreational development, or manufacturing purposes.

City Policy

As a municipal hospital created under the City Hospital Statute (K.S.A. 12-1615) the LMH request does not neatly fit within the City's current economic development policy since the policy does not address the issuance of Hospital Revenue Bonds for an instrumentality of the City.

The City's economic development policy (Resolution No. 7184, dated January 15, 2017) does specify criteria for issuance of Industrial Revenue Bonds (IRB), which are used to support commercial or industrial development. Under traditional commercial or industrial development, there is some incentive involved because there is some lost revenue being contemplated—a sales tax exemption and/or property tax exemption. That is not the

case with this request because LMH as a city hospital is already exempt from sales tax on construction materials and property tax.

The City Commission may wish to address consideration or exemption of hospital revenue bonds issued from LMH, an instrumentality of the City, from economic development policy criteria when the policy is next updated.

Actions To-Date:

The City Commission received the request at their February 6, 2018 meeting and referred it to the Public Incentives Review Committee (PIRC) for review and recommendation.

PIRC Requested Action

Review and provide recommendation to the City Commission on the request by Lawrence Memorial Hospital (LMH) for City assistance in issuing Hospital Revenue Bonds up to \$65,000,000 to provide funds for land acquisition, construction, improvement, extension, repair, equipping and furnishing of a new 200,000 square foot medical facility to be located at the northeast of intersection of Sixth Street and Kansas Highway 10; Acquisition, improvement, extension, repair, equipping and furnishings of existing LMH facilities located at 1112 W. 6th Street and 404 Maine Street, Lawrence Kansas; and miscellaneous capital expenditures for LMH's health care facilities in Lawrence, Kansas, including LMH's main campus and other health care facilities locations.

Addendum A: Request Letter and Application

Lawrence City Commission
Attn: City of Lawrence, Economic Development Coordinator
6 East 6th Street
Lawrence, KS 66044

Dear City of Lawrence Team:

The Board of Trustees of The Lawrence Memorial Hospital (“LMH”) is submitting this letter in connection with LMH’s request that the City issue revenue bonds under K.S.A. 12-1740 to 12-1749d, inclusive, as amended, (collectively, the “Revenue Bond Act”).

The City is authorized under the Act to issue revenue bonds for LMH.

LMH is a municipal hospital and an instrumentality of the City created pursuant to K.S.A. 12-1615 (the “City Hospital Statute”). The board of trustees of LMH is comprised of individuals who have been appointed by the Mayor of the City subject to advice and consent of the City’s Commission. Fee ownership title to certain property for LMH, including the main hospital campus at 325 Maine Street in the City, is vested in the City. More information about LMH is available at <https://www.lmh.org/about-us/>

Under the Revenue Bond Act, prior ordinances of the City, an indenture of trust, and a lease agreement between the City and LMH (as previously amended), the City has previously issued for LMH the following series of bonds: Series 1994, Series 1997, Series 1999, Series 2003, Series 2006, Series 2011, Series 2012 and Series 2013, of which the Series 2012 Bonds and Series 2013 Bonds remain outstanding.

LMH is requesting that the City assist in issuing hospital revenue bonds in one or more series (“Series 2018 Bonds”) in an aggregate amount not to exceed \$65,000,000 for the purpose of providing funds (i) to finance, refinance and reimburse the costs of certain facilities for hospital purposes (the “2018 Project”), (ii) to refund all of the outstanding Series 2012 Bonds, and (iii) to pay certain costs of issuance of the Series 2018 Bonds.

As for prior series of bonds issued by the City for LMH, the Series 2018 Bonds and the interest thereon will be special, limited obligations of the City payable solely out of rent and other amounts provided by LMH under the lease agreement and will not constitute a general obligation of the City within the meaning of any State of Kansas constitutional provision or statutory limitation. **The issuance of the bonds will not, directly, indirectly or contingently, obligate the City to levy any form of taxation therefor or to make any appropriation for their payment.**

The primary purpose of the issuance of the Series 2018 Bonds by the City is satisfying governmental issuer requirements of the federal tax code in order to permit all or a portion of the interest on the Series 2018 Bonds to be excludable from gross income for federal income tax purposes. The plan for the Series 2018 Bonds and the 2018 Project does not presently include a request for property tax abatement (as described in part 3 of the City’s Economic Development Policy dated January 15, 2017 (the “ED Policy”) due to LMH’s status as a municipal hospital and an instrumentality of the City under the City Hospital Statute, by which status certain property tax exemption is applicable independent of the issuance of bonds. LMH is providing this letter and the following application relating to the ED Policy, and based on its status has shown certain items in the application as inapplicable, and anticipates for this requested bond issuance, as for prior issuances for LMH, that no PIRC referral/review, performance agreement or origination fees will be required.

Based on the current proposed financing timeline, LMH is requesting the City’s consideration of an ordinance authorizing the issuance of the Series 2018 Bonds and approving related transaction documents at the City’s March 6th and March 20th meetings.

Thank you very much for your consideration of this request and continued assistance with bond issuances over the years.

Sincerely,
The Board of Trustees of the Lawrence Memorial Hospital

Russell W. Johnson
President & Chief Executive Officer

Economic & Community Development
Application for Economic Development Assistance

The City of Lawrence considers support for economic or community development projects that will provide local public benefits. When requesting assistance for projects, please provide a request letter to the City Commission describing the project, details on the local public benefits it provides, a description of the assistance requested, and why this assistance is needed for the project to proceed. If available, project renderings and graphics are encouraged to be included along with your submission materials. Submit request letter along with the below, completed application for assistance, supporting materials, and applicable fees to:

Lawrence City Commission
Attn: City of Lawrence, Economic Development Coordinator
6 East 6th Street
Lawrence, KS 66044

*Request materials can be submitted electronically to the Economic Development Coordinator: at:
bcano@lawrenceks.org*

Please indicate which public benefits your project brings to the local community. *(Mark all that go above and beyond normal City requirements. Please explain in detail the project's public benefits in the request letter.)*

Affordable Housing

Sustainability

Primary job creation:

- o Primary businesses typically serve customers outside of the immediate area, therefore importing dollars into the community through its sales.
- o Non-primary businesses provide goods and services to the local business and consumers, thereby circulating dollars within the community.

Above average wages

Jobs with employee benefits including healthcare insurance

In-fill development

Revitalization of dilapidated, unsafe, underutilized, or historic property

Promotion of downtown density

Retention or expansion of existing business

Tax base growth

Other (please explain):

The Board of Trustees of The Lawrence Memorial Hospital ("LMH") is a municipal hospital and an instrumentality of the City created pursuant to K.S.A. 12-1615 (the "City Hospital Statute"). The board of trustees of LMH is comprised of individuals who have been appointed by the Mayor of the City of Lawrence, Kansas (the "City") subject to advice and consent of the City's Commission. LMH's mission, in collaboration with its medical staff, is to providing personal and high-quality health and wellness services for the people of the City and the extended community. The facilities to be financed or refinanced with the proceeds of the proposed Series 2018 Bonds will assist LMH in furtherance of its mission. More information about LMH is available at <https://www.lmh.org/about-us/>

The information on this form will be used by the City to consider your request for development support and may also be used to prepare a cost-benefit or other analysis of the project. Information provided on this form will be available for public viewing and will be part of compliance benchmarks, if approved for assistance. Prior to submission, applicant may wish to seek technical assistance from City Staff, the Chamber of Commerce, the Small Business Development Center, or others to address questions and ensure the application is complete.

Please provide data in the cells below. Applicant is encouraged to attach additional pages as necessary to fully explain and support the answers to each question. Note anything additional you wish the City to take into consideration for your request and provide supporting documentation.

Additional Community Benefits (n/a^{*})

Describe Other Local Economic Benefits Resulting From Project: The services offered at this new, state of the art facility are expected to meet the existing and long term health needs as Lawrence grows. In addition, some services will attract patients from throughout the region who will come to Lawrence for medical services. This facility will enhance the ability of the Lawrence medical community to attract and retain physicians and other providers to our community. This is a vital strategy for addressing future forecasts of a significant gap between physician needs in our community and the supply to meet those needs. As services grow, additional full-time, benefited jobs will be created. A strong medical community is vital to attracting businesses and retirees to Lawrence. This facility promotes the high quality, patient focused healthcare services that exist in Lawrence and Douglas County.

Describe Other Quality of Life Benefits Resulting From Project: Quality health services are vital to a growing, healthy community. This facility will allow for the growth of those outpatient services and offer delivery of the services in the manner demanded by patients and consumers. This new facility will also allow certain outpatient services to be shared with the LMH main campus and lessen the traffic and parking issues in the Pinkney neighborhood.

Economic Development Fees

Application & Administrative Fees: The City charges the below application and administrative fees.

Application Fees		Administrative Services Fees	
Tax Abatement	\$500	\$200/year	
Industrial Revenue Bonds (IRB)	\$1,000	Origination Fee for sales tax only IRBs	
Community Improvement District (CID)	\$2,500	For all projects involving "pay-as-you-go" financing and reimbursement through the assessment of CID sales tax collected with the CID sales tax district, it is the policy of the City to negotiate any annual administrative fee between the City and the petitioner to cover the City's administrative costs.	
		For all other projects, the petitioner shall pay 0.5% of the funds reimbursed to the petitioner, or any successor in interest, each year for the life of the CID to cover the City's administrative costs.	
Transportation Development District (TDD)	\$2,500	0.5% of the annual TDD revenues generated	
Tax Increment Financing (TIF)	\$1,000	Where the applicant only seeks reimbursement of the property tax increment, the administrative service fee shall be 0.5% of the annual increment;	
		In all other cases, the administrative service fee shall be 2.5% of the annual increment.	
Neighborhood Revitalization Area (NRA)	\$500	None	

If the request is not considered, half (1/2) of the application fee will be returned to the Applicant. If the request is considered, application fees are not refunded, regardless of if the project is approved.

Industrial Revenue Bond (IRB) Origination Fee:

For IRBs issued just to obtain a sales tax exemption (not a property tax abatement), Applicant, at the time of bond closing, shall pay the City an IRB origination fee of the par amount of bonds being issued on behalf of a for-profit company, unless the project will create primary jobs or add affordable housing to the community.

IRB Origination Fee	
Rate	Amounts*
0.004	First \$10M or up to \$10M
\$40,000 + 0.002	2nd \$10M
\$60,000 + 0.001	Over \$20M

*Maximum fee is \$100,000

For IRBs issued on behalf of not-for-profit organizations, the City will not charge an origination fee.

**Origination fee is n/a* -- LMH is a municipal hospital and an instrumentality of the City created pursuant to K.S.A. 12-1615 which, although created pursuant to such state law is substantially similar to a not-for-profit organization (i.e., not a for-profit company), and has not been required to pay origination fees for prior issuances

Other Fees:

Applicant is responsible for paying all expenses incurred by the City for professional services pertaining to the project, regardless of if the project is approved. This may include costs associated with research and analytical services, legal publication notices, application fees to the state Board of Tax Appeals, bond counsel and other

miscellaneous costs, including but not limited to, the City reasonable costs to process any modifications. If the request proceeds the Applicant may be asked to enter into a funding agreement to cover all costs associated with processing approval for the requested assistance.
