Address:	2920 Haskell Ave, Ste 100
City, State Zip	Lawrence, KS
Phone No.	785-856-1801
E-mail:	info@peasleetech.org

Community Partner Overview:

The Dwayne Peaslee Technical Training Center (Peaslee Tech) opened as a training facility in August 2015. Mission: The Center serves as a catalyst for economic growth in Douglas County, providing technical training to a diverse community of learners to meet the current and emerging needs of our communities and employers. Peaslee Tech was created by the City of Lawrence, Douglas County, the Economic Development Corporation, and the Lawrence Chamber, and area industry partners, in association with USD 497, to provide the services associated with our mission. Adults and high school students receive training in Construction Technology, Industrial Engineering Technology, HVAC, Welding, Power Plant Technology, Automotive Technology, Computers, and other areas. Custom training via short courses are provided to individual industry partners, or a consortia of industry partners. Peaslee Tech offers credentialed training, to the public in the areas of commercial driving, pharmacy technician, Cisco computer networking, manufacturing technology, and industrial maintenance mechanic apprenticeship. Additionally, Peaslee Tech initiated programs to train carpenters, electricians, plumbers and facilities maintenance technicians. Peaslee Tech’s funding is secured through four sources: leasing of space within Peaslee Tech, training tuition for apprenticeships, open-enrollment, and custom courses, gifts and grants, and city/county funding.

Service Overview - Metrics and/or data that describe the service impact:

In 2018, Peaslee Tech served over 800 individuals at companies throughout Douglas County and on campus. Nearly five-hundred of those served were in programs delivered by Peaslee Tech, the remainder in affiliated community college programs. We have also participated in several business recruitment activities conducted jointly by the County, City of Lawrence, and the Economic Development Corporation.

Since being approved by the Kansas Board of Regents as a post-secondary education provider in 2017, Peaslee Tech has initiate sixteen programs to support the workforce pipeline in Douglas County. Seven of the programs are apprenticeships and we will be adding six more in 2019. In addition, in cooperation with Douglas County school districts, we provide technical training in auto tech, HVAC, and industrial maintenance.

2020 Budget Request Form – Douglas County, KS

Budget Request Analysis

Community Partner: **Dwayne Peaslee Technical Training Center**

Analysis of Revenue Sources:

We anticipate continued growth in our tuition income over the coming year. From \$22,161 in 2016 to \$300,000 budgeted for 2020. Lease income should remain steady at \$230,265. Revenue from the City of Lawrence and Douglas County are budgeted to remain steady and in 2020 will constitute 49 percent of our annual budget.

Analysis of beginning & ending fund balances, and dedicated or restricted cash reserves:

All budgetary information provided shows unrestricted funds. However, ending fund balances reflect investments by EDC and founders dedicated to Capital Improvements in Peaslee Tech which are expensed/depreciated over time. Thus, the ending fund balance includes a \$766,900 in cash and cash equivalent, plus the investment in the building by EDC and Douglas County.

Analysis of expenditure changes:

Our primary change is expenditures in increased instructional expenses related to increases in instruction income.

2020 Budget Request Form – Douglas County, KS

Supplemental Request for Additional Funding

(This is in addition to the 2020 Request amount on page 1)

Community Partner:	Dwayne Peaslee Technical Training Center	\$200,000
--------------------	---	-----------

Purpose for additional revenue from County:

With a \$1,437,400 mortgage balloon payment coming due in January 2018, in the fall of 2017, Hugh Carter (Economic Development Corporation Lawrence & Douglas County) and Cynthia Yulich (Emprise Bank Market President and Peaslee Tech Board Treasurer) brought together a consortium of 11 local banks. The banks agreed to share equally in developing a seven-year mortgage. This funding request is for the 2020 principle payment.

Impact if supplemental request is not funded:

Failure to receive the principle will have a very negative effect on Peaslee Tech's 2020 and future budgets, as they are predicated on principle reductions. We would be unable to meet our financial obligations as a result, which would make our continued operation doubtful.
