

## **Sunset Hill Neighborhood Association**

Lawrence Transportation Commission  
Charlie Bryan, Chair

September 8, 2017

Dear Commissioners,

I am writing to lend the support of the Sunset Hill Neighborhood Association Executive Committee to the proposal for traffic calming devices on Rockledge Rd. between Sixth St. and Ninth St. Since traffic speeds measured by city personnel meet the conditions required for such devices, the Executive Committee believes traffic calming devices are justified and we support their installation.

We would also like to request that the speed limit on this street be posted at both ends of this section of road.

Thank you all for your work to make Lawrence safer for all residents!

Best regards,

Gary Webber

President, Sunset Hill Neighborhood Association
