

Dear Mr. Baker,

I am a neighbor of Ginny Love who inquired about a crosswalk at Broken Arrow Park. She shared your report with me because I am also very concerned about the lack of a crosswalk there.

I regularly cross Louisiana to reach Broken Arrow Park with my children. I have to cross at a diagonal because I am in a wheelchair. There are no curb cutouts that are directly across from one another. At certain times of day, especially in the late afternoon and evening it can be a long wait to find a safe moment to cross.

I know there is a meeting tonight, but since I'm in a class that runs till 6:30 I don't know if I can make it in time. Please share my concerns with the commission.

Thank you for all your hard work,

Melissa Monroe
