- Next Meeting Monday June 5, 2017 6:00 PM

XII. Adjournment

Memorandum

City of Lawrence

Public Works

TO: David Cronin, P.E., City Engineer
CC: Charles F. Soules, P.E., Public Works Director
FROM: Mark Thiel, Assistant Public Works Director
DATE: April 27, 2017
RE: Agenda item 5/1/17 Transportation Commission: No parking George Williams Way and Rock Chalk Drive – North of 6th Street at Rock Chalk Park and Sports Pavilion Lawrence.

Background

Each time KU or the City host a major event at Rock Chalk Park / Sports Pavilion Lawrence city staff is tasked with placing temporary no parking signs along George Williams Way and Rock Chalk Drive (see map) to keep vehicles from parking along this access route to the event. Both roads are considered access points for emergency vehicles and buses. With vehicles parked on one or both sides of either road access is not possible, while maintaining two-way vehicle traffic.

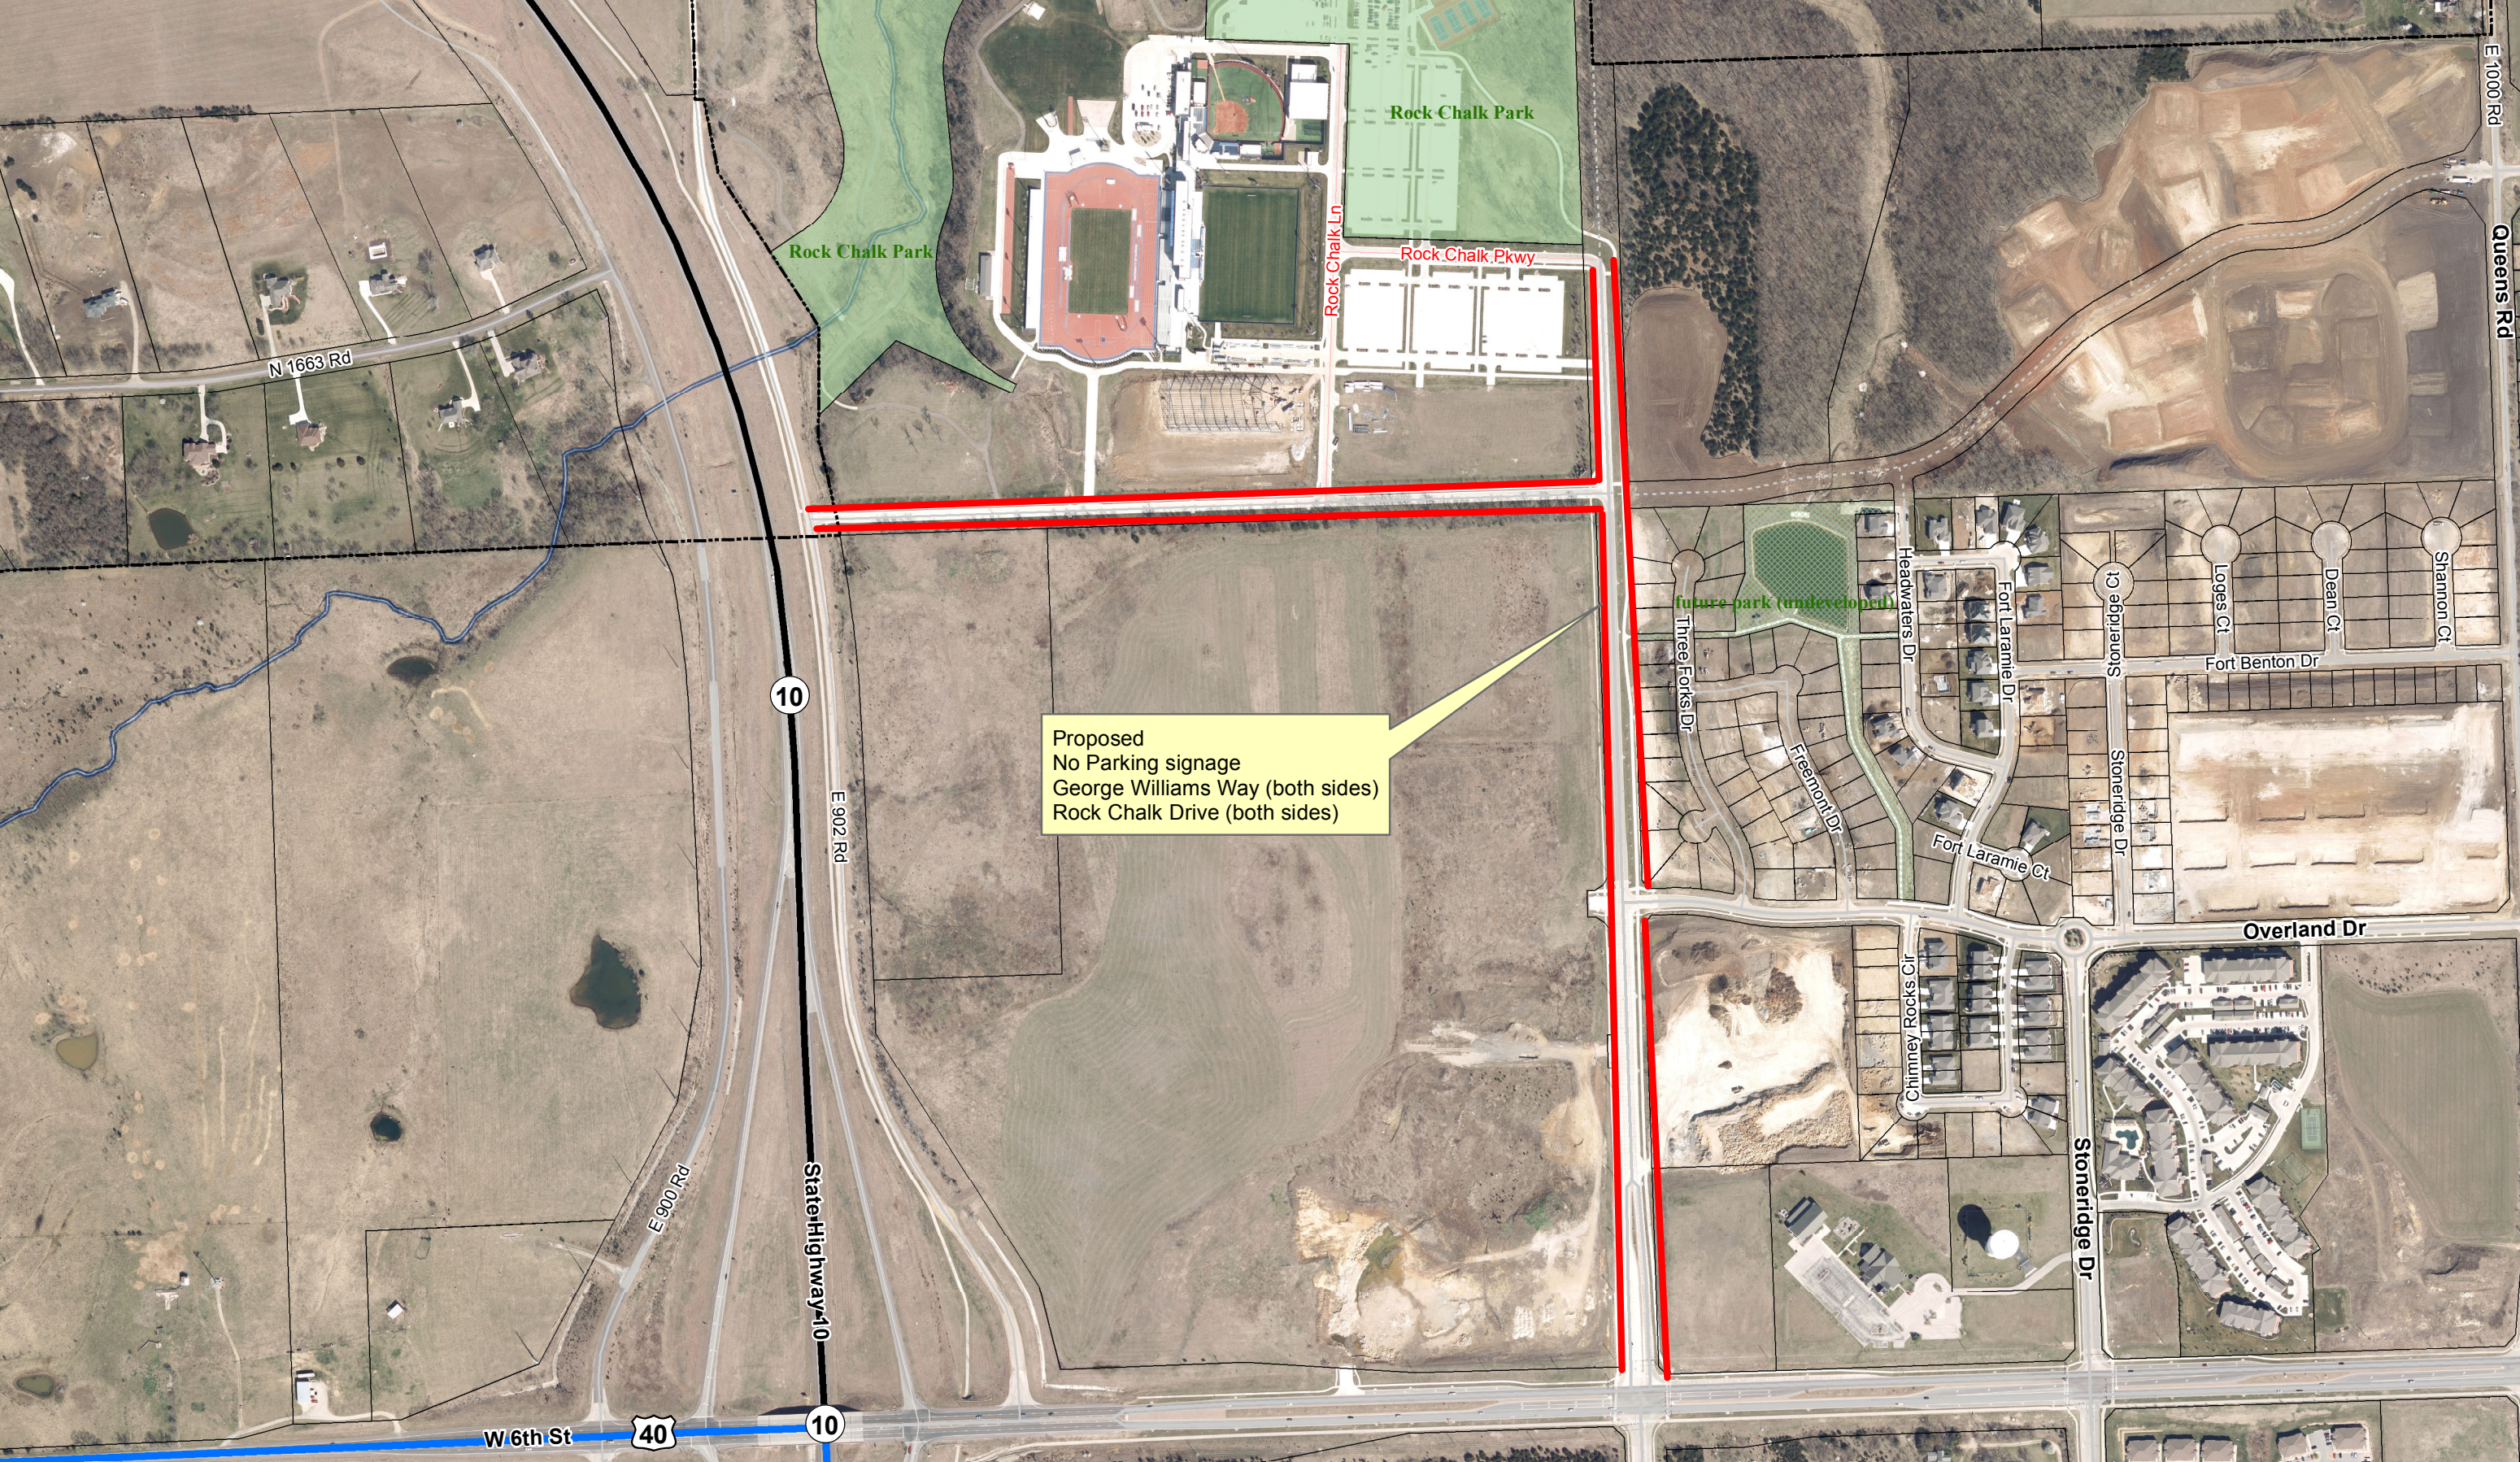

In addition, when there is no major event at either facility, parking along either of these roadways is not an issue or needed.

Staff is recommending that both roadways be designated as no parking on both sides of the road to allow two-way traffic as well as maintaining emergency vehicle access to either facility. This will also eliminate the need for staff to place temporary no parking signage each time there is an event at either facility when we anticipate parking along these roads could be an issue.

Action Request

It is recommended that the Transportation Commission approve the request for no parking on both sides for George Williams Way from 6th Street north to Rock Chalk Parkway (private street).

It is recommended that the Transportation Commission approve the request for no parking on both sides of Rock Chalk Drive from George Williams Way to E 902 Road.
