3. How have you impacted the citizens of Lawrence?

Based on the data collected above, it is evident that education and/or treatment services at LOP help citizens improve their quality of living and reduce problems in life areas impacted by substance abuse and dependence.

58% of clients surveyed reported their school/work situation was "about the same"

69% reported improvement in their legal situation and described it as "better"

4. What barriers, if any, have you encountered?

Transportation is a barrier for some clients as the bus stops transporting before our group therapy sessions end.

5. Review the line-item budget you provided in your application. How much of your allocation has been spent?

At this point in the funding period 50% of our allocation has been spent on personnel.
