WHY WE DO WHAT WE DO
To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

PRIORITY OUTCOMES
The Formula for Impact is measured by three priority outcomes: academic success, good character and citizenship, and healthy lifestyles:

- 56% of Club members achieved more than the expected gain on standardized reading and math tests
- 43% of our teen members volunteer once per month or more
- 83% are active at least five days per week

1,483 average daily attendance
7% increase in membership from the 2014–2015 school year
14 sites all across Lawrence
USD 497 elementary students who are members 69%
94% parent satisfaction rate

76% of kids enrolled attend more than 90 days over the course of the school year

1 Teen Center at max capacity (70 kids per day), serving just 3% of Lawrence middle and high schoolers

ESPECIALLY THOSE WHO NEED US MOST
46% of Club members qualify for free and reduced lunches at school, compared to 39% of the entire USD 497 district
50% of Club members are on scholarship (BGCLK pays for some or all of their cost of attendance to ensure that kids are not turned away from a safe, positive environment because of financial reasons)

ON THE RISE
Thanks to our six-week summer enrichment academic program, Boys & Girls Club members are eliminating the learning loss that can occur during the summer months:

- 26% of Club kids improved their math grades
- 30% improved their reading scores
- 23% made academic improvements
- 37% improved behavior in the classroom

ALUMNI REPORT
54% say the Club saved their life

GREAT FUTURES START HERE.
"I really like math. Actually, my whole class really likes math."

"I built this) for my robot. It can fly, it has boosters and there are three mailboxes."

"It's called finger knitting. When it starts to look like this, you know you're doing it right. I'm making a scarf for my mom."

"We sit here every day and read."

"We have to memorize the Spanish alphabet by tomorrow."

"I have to memorize the Spanish alphabet by tomorrow."

"To supporters, creators and believers of Great Futures in Lawrence,"

To supporters, creators and believers of Great Futures in Lawrence, the holiday season at the Boys & Girls Clubs is nothing short of amazing. Club kids are abuzz making decorations, having parties and getting their schoolwork completed for 2015. For our staff, it is a time of reflection on the year that was. As we prepared for this holiday season, we were reminded of our great successes, our good decisions, the work we've done and every moment of care we've given so that kids and young people who are the future of Lawrence and the world may have a safe, caring, fun place to grow and thrive.
