Pathway of Hope is a program which provides long term case management to motivated individuals to help them identify and address their current needs and barriers so they can transition from dependency to self-sufficiency. The process involves a three step process. First, our case manager helps the client move out of crises by obtaining the specific material assistance the client needs like; food, rent or utilities, vehicle repairs, educational certification, childcare etc. as they gain stability. Second, assist clients in setting goals to address the root causes of their crisis by developing a step- by-step action plan to achieve their goals. Lastly, provide direction and support to help clients obtain sustainable employment and connect with community support networks.

- 3. Refer to your 2017 application for funding; provide specific detail (use supportive documents, if needed) to demonstrate what progress was made toward your proposed outcomes.**
